

Independent Study Registration

Semester: _____

of credits: _____

Schedule #: _____

Choose course name first then course number:

CMPEN

CMPSC

DS

296

496

494H (Schreyer Honor students
only)

Independent studies allow a student to gain academic credit for supervised instruction that falls outside the scope of regularly scheduled CSE courses. The work must be supervised by a CSE faculty member and must contain academic (learning) content. Independent study credits may only count towards department lists. You must have junior or senior standing to register for 496. Please be sure to fill in all required data.
